**Care Facilities Management**  
**Environmental Policy**  
**07/10/19**

The Environmental Policy of Care Facilities Management (“the Company”) is to ensure so far as it is reasonably practicable that its operations will be carried out with a commitment to protecting and enhancing the environment.

As an office and management of commercial premises we know that our policies and procedures have an impact on the environment. However as we strive for excellence in every aspect of our business we are committed to minimising the environmental impacts of the business operation.

**1. Our stated aims are to:**

- 1.1 Aim to continuously improve our environmental performance particularly with regards to our energy performance and recycling, re-use of paper.
- 1.2 Where possible we will use recycled or ecologically friendly materials.
- 1.3 Carry out environment audits with resulting action plans for sites which are reviewed annually
- 1.4 Conduct environmental meetings with tenants with agreed targets and actions
- 1.5 Reduce consumption of resources and improve the efficiency of those resources by adjusting plant running times, installing LED with PIR where feasible.
- 1.6 Manage waste generated from business operations according to the principles of reduction, re-use and recycling
- 1.7 Recycle all paper products, ink or toner cartridges and target zero waste to landfill at all sites.
- 1.8 Comply as a minimum with all relevant environmental legislation as well as other environmental requirements.
- 1.9 Review training requirements of staff to help meet our policy

This Environmental Policy Statement will be regularly reviewed and updated as necessary. The management team endorses these policy statements and is fully committed to their implementation.
